In order to prescribe effective rates of duty and to carry out changes in the Rules made under the respective Acts, the following notifications are being issued:

Unless otherwise stated, all changes in rates of duty take effect from the midnight of 28th February / 1st March, 2015. A declaration has been made under the Provisional Collection of Taxes Act, 1931 in respect of clauses 89, 90, 103, 104, 163, 164 and 188 of the Finance Bill, 2015 so that changes proposed therein take effect from the midnight of 28th February / 1st March, 2015. The remaining legislative changes would come into effect only upon the enactment of the Finance Bill, 2015. Retrospective amendment in the notification issued under the Central Excise Act shall have the force of law only upon the enactment of the Finance Bill, 2015 but with effect from the date indicated in the relevant clause or Schedule. These dates may be carefully noted.

2. Important changes in respect of Customs and Central Excise duty and legislative changes are contained in the four Annexes appended to this letter:

(i) Annex I contains Chapter wise changes relating to Customs;

(ii) Annex II contains Chapter wise changes relating to Central Excise:

Education Cess and Secondary & Higher Education Cess leviable on all excisable goods are being fully exempted. Simultaneously, the standard ad valorem rate of duty of excise (i.e. CENVAT) is being increased from 12% to 12.5%. Details of the consequential changes are enlisted in the aforesaid Annex.

Also, maximum speed of packing machine for packages of notified goods of various retail sale prices is being specified as a factor relevant to production for determining excise duty payable under the Compounded Levy Scheme presently applicable to pan masala, gutkha and chewing tobacco. The deemed production and duty payable per machine per month are accordingly being notified in respect of these goods with reference to the speed range in which the maximum speed of a packing machine for packages of various retail sale prices falls. Consequential amendments are being carried in the Pan Masala Packing machines (Capacity Determination and Collection of Duty) Rules, 2008 and Chewing Tobacco and Unmanufactured Tobacco Packing Machines (Capacity Determination and Collection of Duty) Rules, 2010 **to enable the AC / DC, as the case may be, to re-determine the annual capacity of production for the period 1st March, 2015 onwards within 3 working days of the coming into force of the Packing machines (Capacity Determination and Collection of Duty) Amendment Rules, 2015 and Chewing Tobacco and Unmanufactured Tobacco Packing Machines (Capacity Determination and Collection of Duty) Amendment Rules, 2015.** Details of changes in this regard enlisted in the aforesaid Annex may be studied carefully.

(iii) Annex III contains the clarifications being issued on certain matters.

(iv) Annex IV provides a bird's eye view of legislative changes proposed in the Finance Bill, 2015.

2.1 The Annexes provide a summary of the changes made and should not be used in any quasi-judicial or judicial proceedings, where only the relevant legal texts need to be referred to.

2.2 I would also like to bring to your notice that it is quite likely that a commodity may be covered under more than one notification attracting different rates of duties. In such cases, as per various judicial pronouncements on the subject, the benefit of lower rate of duty cannot be denied to the assessee provided he fulfils the conditions prescribed, if any, for such lower rate.

3. In order to achieve a sharper focus, I have alluded only to the key highlights of the budgetary changes in this communication. The details are contained in the Finance Bill and notifications which alone have legal force. My team and I have made every possible effort to avoid the occurrence of errors or mistakes in the Budget documents. However, given the scale of changes, inadvertent errors cannot be ruled out. I shall be grateful if the provisions of the Finance Bill and notifications are studied carefully and feedback on issues that may need clarification is provided urgently.

4. It may kindly be ensured that the changes are implemented in a smooth manner without causing any inconvenience to the taxpayers and other stakeholders. All possible efforts may be made to guide the taxpayers by holding interactive sessions/ seminars for their benefit. In case of any doubt or difficulty, I would request you to kindly bring it to my notice immediately or to the notice of Sh. Amitabh Kumar, OSD (TRU) (Tel No.011-23092236); Sh. G.G. Pai, Director (TRU) (Tel No. 011-23092753), e-mail: giridhar.pai@nic.in or Sh. Malay Samir, Budget Officer (TRU) (Tel No. 011-23094819), e-mail: malay.samir@nic.in. CLARIFICATION

CUSTOMS

- 1) Bulk drugs used in the manufacture of the specified drugs (listed in the table annexed to the exemption notification) are either exempt from BCD or attract concessional rate of 5% BCD, under Sl. No. 148(B) and 147(B) respectively of notification No 12/2012-Customs, if the procedure as laid down in the Customs (Import of Goods at Concessional Rate of Duty for Manufacture of Excisable Goods) Rules, 1996 is followed by the importers. Further, these bulk drugs used in the manufacture of the specified drugs are also exempt from excise duty, under S. No. 108 (B) of the notification 12/2012- CE, provided the procedure laid down in the Central Excise (Removal of Goods at Concessional Rate of Duty for Manufacture of Excisable Goods) Rules, is followed. In this context, clarification has been sought whether a separate certificate issued under the above mentioned Central Excise Rules is required when a similar certificate under the above mentioned Customs Rules issued from the same jurisdictional Central Excise officer is already produced. It is being clarified that there is no need to separately comply with Central Excise (Removal of Goods at Concessional Rate of Duty for Manufacture of Excisable Goods) Rules, 2001 for the purposes of availing of the CVD exemption under notification No.12/2012-Central Excise, if the procedure as laid down in the Customs (Import of Goods at Concessional Rate of Duty for Manufacture of Excisable Goods) Rule, 1996 is already followed by the importer for availing exemption / concession from BCD on the said goods.

- 2) Parts and components of cash dispenser and automatic bank note dispensers [heading 8473 40] are exempt from Basic Customs Duty. However, since the classification of parts was not mentioned in the relevant notification, there were doubts about the scope of the exemption for parts of cash dispenser and automatic bank note dispensers. As the 'parts and components of cash dispensers and automatic bank note dispensers' were specifically included in the description of goods even though their classification was not, it is clarified that the benefit of exemption from Basic Customs Duty was available to parts and components of cash dispenser and automatic bank note dispensers, in accordance with CBEC circular 9/96-Customs dated 13.2.96 [F.No.528/4/96-Customs (TU)]. Prospectively, the S. No. 408 of the Notification No. 12/2012- Customs dated 17-3-2012 is being amended to include the classification [8473 40] of parts and components of cash dispensers and automatic bank note dispensers. S. No. 408 of Notification No. 12/2012-Cus, as amended vide notification No.10/2015-Customs dated 1st March, 2015 refers.

 - (i) Insert a proviso in sub-section (2) thereof to provide that in cases **not involving** fraud or collusion or wilful mis-statement or suppression of facts or contravention of any provision of the Act or rules with the intent to evade payment of duty, no penalty shall be imposed if the amount of duty along with interest leviable under section 28AA or the amount of interest, as the case may be, as specified in the notice, is paid in full within 30 days from the date of receipt of the notice and the proceedings in respect of such person or other persons to whom the notice is served shall be deemed to be concluded;

[Clause 80 of the Finance Bill, 2015 refers]

- 2) Section 112 provides for penalty for improper importation of goods, etc. Section 112 is being amended so as to substitute sub-clause (ii) of clause (b) to provide that any person who acquires possession of or is in any way concerned with or in any other manner deals with any dutiable goods, other than prohibited goods, which he knows or has reasons to believe are liable to confiscation under section 111, shall, subject to the provisions of section 114A, be liable to a penalty not exceeding 10% of the duty sought to be evaded of Rs.5000, whichever is greater. It is also being provided that in cases of short levy or non-levy or short payment or non-payment and erroneous refund of duty for reasons of

collusion or any willful mis-statement or suppression of facts, if the duty as determined under sub-section (8) of section 28 and the interest payable thereon under section 28AA is paid within 30 days from the date of communication of the order of the proper officer determining such duty, the amount of penalty liable to paid by such person under this section shall be 25% of the penalty so determined.

[Clause 81 of the Finance Bill, 2015 refers]

- 3) Section 114 provides for penalty for attempt to export goods improperly, etc. Section 114 is being amended so as to substitute clause (ii) to provide that any person who, in relation to any dutiable goods, other than prohibited goods, does or omits to do any act which act or omission would render such goods liable to confiscation under section 113, or abets the doing or omission of such an act, shall, subject to the provisions of section 114A, be liable to a penalty not exceeding 10% of the duty sought to be evaded of Rs.5000, whichever is greater. It is also being provided that in cases of short levy or non-levy or short payment or non-payment and erroneous refund of duty for reasons of collusion or any willful mis-statement or suppression of facts, if the duty as determined under sub-section (8) of section 28 and the interest payable thereon under section 28AA is paid within 30 days from the date of communication of the order of the proper officer determining such duty, the amount of penalty liable to paid by such person under this section shall be 25% of the penalty so determined.

[Clause 82 of the Finance Bill, 2015 refers]

- 4) The proviso to clause (b) of section 127A relating to the provisions of Settlement Commission is being amended to delete the reference to “in appeal or revision, as the case may be” so as to provide that when any proceeding is referred back, whether in appeal or revision or otherwise, by any court, Appellate Tribunal Authority or any other authority to the adjudicating authority for a fresh adjudication or decision, then such case shall not be entitled for settlement.

[Clause 83 of the Finance Bill, 2015 refers]

- 5) Sub-section (1A) to Section 127B provides that in case of applications made prior to 1st day of June 2007, and where no order under section 127C (1) has been made before said date, the applicant shall pay the amount so ordered by the Settlement Commission within thirty days from 1st day of June 2007 failing which his application shall be liable to be rejected. The actual operation of the said section provided for the payments to be made within thirty days from 1st day of June 2007. Hence, the said section has become redundant and is being omitted.

[Clause 84 of the Finance Bill, 2015 refers]

- 6) Sub-section (6) of section 127C provides that in respect of the applications filed before 31st day of May, 2007, Settlement Commission shall pass the final order of settlement under sub-section (5) of section 127C latest by 29th February 2008 and in cases filed after 31st day of May, 2007, within nine months. Since all the applications filed before 31st day of May, 2007 shall have been necessarily disposed of by 29th day of 2008, the reference to the said dates have become redundant. Therefore, the said sub-section is being amended so as to omit the phrase “in respect of an application filed on or before the 31st day of May, 2007, later than the 29th day of February, 2008 and in respect of application made on or after the 1st day of June, 2007”.

[Clause 85 of the Finance Bill, 2015 refers]

- 7) Section 127E provides that Settlement Commission can reopen the completed proceedings in certain conditions. As per the first proviso to the said section no proceedings can be reopened after five years from the date of application, and as per second proviso to the said section Settlement Commission cannot reopen any proceedings in respect of an application made after 1st day of June 2007. Thus, Settlement Commission has no powers to reopen any completed proceedings after expiry of five years from 1st day of June 2007, thus making this section redundant. Therefore, this section is being omitted.

[Clause 86 of the Finance Bill, 2015 refers]

- 8) Explanation to sub-section (1) of section 127H provides that in respect of the applications filed on or before 31st day of May 2007, Settlement Commission shall decide the applications as if the amendments made in the said section were not in force. Since all the applications filed by 31st day of May, 2007 have necessary been disposed of by 29th day of February 2008, the said explanation has become redundant. Hence, the said Explanation is being omitted.

[Clause 87 of the Finance Bill, 2015 refers]

- 9) Section 127L provides the situations in which the person in whose case the order has been passed by the Settlement Commission cannot again approach the Settlement Commission. When the said section was amended in 2007, the said section made distinction in respect of the orders passed prior the commencement of section 102 of the Finance Act, 2007 and after that. In respect of the cases decided after the said commencement, the applicant was barred from making subsequent applications, whereas in the cases decided prior to that he could have made the application if his case was not covered by any of the clauses mentioned in sub-section (1). However, vide the amendments made by the Finance Act, 2010, even in cases decided after commencement

of section 102 of the Finance Act, 2007 the applicant was allowed to approach Settlement Commission if not hit by any of the clauses to sub-section (1). Thus, clause (i) and (ii) of sub-section (1) to section 127L are being amended so as to delete the phrase “passed under sub-section (7) of the section 127C, as it stood immediately before the commencement of section 102 of the Finance Act, 2007 (22 of 2007) or sub-section (5) of the section 32F” as the same have become redundant.

However vide the amendments made by the Finance Act, 2010, even in cases decided after commencement of section 122 of the Finance Act, 2007 the applicant was allowed to approach Settlement Commission if not hit by any of the clauses to sub-section (1).
