1-6. The Demand provides for the requirement of Income-Tax Department, which administers all direct taxes levied and collected by the Central Government, namely, taxes on income (including income of the corporate sector), estate duty, wealth tax, etc. For the purpose of collection, the country has been divided into charges. The Department has also got separate Directorates for scrutiny of cases involving large scale evasion, inspection, research, statistics and publications.

7. The provision relates to purchase of ready-built office buildings and ready-built residential buildings in respect of Direct Tax organisation.

8. The provision relates to pre-emptive purchase of immovable properties by Central Government as envisaged in Chapter XXC of the Income-tax Act, 1961. Such purchases were ordered by the Appropriate Authority in respect of properties having apparent consideration exceeding a prescribed limit. However, this chapter of I.T. Act, 1961 has been abolished since 1.7.2002. The provision has been made for maintenance and upkeep of properties and security charges in respect of properties already acquired by Central Government under this Act.
